

DHS ATHLETIC BOOSTER CLUB - January 2023

You may have seen some new enhancements to the DHS Campus recently. The Booster Club, along with the Athletic Department, are thrilled to share news about the installation of new scoreboards on both baseball and the softball fields. These new scoreboards replaced the existing antiquated scoreboards, and they have an awesome looking truss! This project was a collaborative effort between the Athletic Department/Coaches and the Booster Club over the past 9 months. We cannot wait for our softball and baseball student-athletes to use these fields as well as our Deerfield Sports Information (DSI) Team [deerfield_sports_information_brochure_1-26-2022.pdf \(d113boosters.org\)](#) using this technological improvement in the Spring!

Last month we of shared the 7 new items approved and funded by the Booster Club (over \$30,000) so far this school year. All these items and the 2 new scoreboards would NOT be possible without your membership support. This is why membership is critical to the Booster Club's success. If you have not had a chance to join yet, this is the perfect time. Did you know that with any membership, you receive a Family Athletic Pass that gets you into ALL regular season home girls & boys basketball games for **FREE**? Skip the ticket line and use this link to join today! <http://www.d113boosters.org/membership.html> For additional information about the DHS Athletic Booster Club, click and watch our [Warrior Welcome video](#).
