GOOD LUCK TO ALL OF OUR TEAMS!

The DHS Athletic Booster Club's Mission is to promote athletic success, spirit, sportsmanship and a commitment to excellence beyond the classroom. We strive to support programs and resources that enhance athletic programs, the student-athlete experience, and the athletic facilities at DHS. With your help and support we can honor our commitments and make a difference this school year.

Membership is the largest and most important revenue stream for the Booster Club. It allows us to support our 900+ unique student-athletes across Deerfield's 32 Athletic Teams. For this past school year, the Booster Club gave back more than \$175,000 to the student-athletes by way of funding requests, allocation of membership dues, and collaborative fundraising. **Your student-athlete, in one way or another has benefited from Booster Club contributions/support of DHS Athletics.** Below is last year's comprehensive list of funding requests by DHS Coaches/Athletic Department demonstrating financial support by the Booster Club to student-athletes.
